Dear Greg

It has come to our attention that a small batch of thank you letters may not have been received by our donors, and yours was one of the donations which may have been affected. If you did not receive a thank you for a donation to Birmingham Children's Hospital Charities then please accept our sincere apologies.

I would now like to take this opportunity, on behalf of the children and staff at Birmingham Children's Hospital, to thank you for your kind donation of £5,000.00 received on 03/03/2010 being monies raised from your 'Aberdovey Bike Ride' fundraising event. We are extremely grateful for your support.

Your donation was paid into our Ward 15 Trust Fund which is used to support facilities, equipment, research and education on this unit for the benefit of our young patients.

Birmingham Children's Hospital treats over 225,000 children every year as in-patients, through outpatient clinics and in the community. With the help of our fundraising supporters we are able to ensure that those children receive the highest standard of care in the best possible surroundings.

Thank you once again for supporting Birmingham Children's Hospital.

Yours sincerely
